TO VISIT YOSEMITE

MANY GLENDALE PEOPLE WILL HAVE OUTINGS IN NATIONAL PARK

Mr. and Mrs. Warren Roberts expect to leave Sunday morning for a two weeks' outing in the Yosemite. Dr. and Mrs. H. Russell Boyer are already there and others from this city are planning to go, so there will be quite a Glendale colony. Mr. and Mrs. Roberts will probably be at Camp Curry.

Mr. and Mrs. T. W. Preston and their daughter, Miss Jeannette McLennen, will leave for the Yosemite Saturday. Miss McLennen arrived from Chicago last Monday, a week sooner than she had expected to get here, to the great satisfaction of her mother, and as she is to take up her work with the Y. W. C. A. in Los Angeles the first of the month, the trip has been arranged to give her an outing before she enters upon her duties.

As already reported, the Preston property on Adams street has been sold and they have leased a house at the corner of Harvard and Jackson streets, which they will occupy while their new home is being built on two lots they have purchased on Jackson St. between California Ave. and Lexington Drive. The situation is a charming one and while they will miss some of the features of their old home, they anticipate much satisfaction in the new one.

MRS. HARTLEY SHAW RETURNS

Mrs. Hartley Shaw returned Wednesday from San Francisco, where she and her little son have been guests of Mr. Shaw's father for a few weeks. Both she and the boy are in fine health and spirits. While there she had the pleasure of attending commencement exercises at the State University at Berkeley for the first time since her graduation nineteen years ago. The event was of greater interest by reason of the fact that hers was the first class graduated under the regime of President Wheeler, and the class this year is his farewell class. About one thousand students were graduated and the university honored a number of well-known men and women by conferring degrees upon them. The degree of Doctor of Laws was conferred on Dr. Wilber, president of Stanford University, whose relations with President Wheeler have been most cordial, upon Dr. Rinehart, president of Mills College, upon Judge Olney of the Supreme Bench, and a number of other distinguished persons. Governor Stephens was present and presented commissions to a number of men who had seen service in the army. It was a most interesting program and a red letter day in the annals of the university in which Mrs. Shaw was very glad to participate.

TEN TIMES QUOTA

CHILDREN'S DRIVE FOR FRENCH WAR ORPHANS IN GLENDALE YIELDS $869.75

Again has Glendale demonstrated her philanthropy and patriotic spirit. Final reports of the drive for French orphans made chiefly by children of the Glendale schools May 24th show that receipts totaled $869.75.

At Los Angeles headquarters it was estimated that 700 tags which would represent $70, would be sufficient for Glendale, whereas donations represented more than ten times that number.

Thirty-six dollars and fifty cents is the sum set for the support of one French orphan for one year. It would therefore appear that Glendale has assumed responsibility for the support for one full year of twenty-three orphans with enough left to support another for ten months.

The subscriptions are credited as follows:

Doran Street School	$ 36.50
Central Avenue School	36.10
Broadway School	58.80
Intermediate School	75.15
Magnolia School	29.50
Acacia School	36.50
Colorado School	76.00
Columbus Avenue School	82.50
Cerritos Avenue School	161.72
Pacific Avenue School	73.00
Glendale Union High	91.48
Columbus Avenue P.-T. A.	36.50
Foothill Club	36.50
Tuesday Afternoon Club	36.50
Woman's Relief Corps	3.00
Total	$869.75

Mrs. Nanno Woods, who was chairman of the drive in Glendale, is very much pleased with what the city has done and with the part taken by the children in the drive.

TRUSTEES' MEETING

ENGINEER IRWIN REPORTS ON COST OF MUNICIPAL PHONE SYSTEM

The Board of Trustees met in regular session Thursday evening, June 12th. All members present.

Minutes of the last previous meeting were read and approved.

In accordance with action taken at the last regular meeting calling for bids to be opened at this time, bids for installing electrical equipment were ordered to be opened. The clerk reported that no bids had been received.

The regular order of business was suspended and the report of Ernest Irwin, engineer employed by the city to make an investigation of the subject of a municipal telephone system, was taken up at this time. Mr. Irwin presented a type-written report accompanied by a diagram, a summary of which is as follows:

Cost of Plant, $253,606.

With trunking equipment and trunk cable to Glendale city limits. Trunk cable to Los Angeles, $30,348 or $52,200.

Cost of Operation, per annum, $54,062;

Including depreciation charges and interest on $300,000 bonds, local service only.

Revenue from Plant, local service only, per annum, $60,624.

Surplus, $6,202.

Available for additions and retirement of bonds per annum.

Mr. Irwin answered a number of questions in reference to the matter, which was discussed at some length. In reference to this subject the City Attorney quoted a decision of the Supreme Court of California covering the subject of long distance connections between competing telephone companies. On motion of Trustee Shaw, adopted on roll call all voting aye, the report of Mr. Irwin and the opinion of the city attorney were referred to the Committee of the Whole to report back to the Board in regard to the proposition.

The city attorney presented a letter addressed to him by Attorney John C. Thomson of New York City in regard to the fee that he would charge for a report upon the legality of the proceedings covering the proposed bond issue for water and light bonds, the sum named being two hundred dollars. On motion of Trustee Shaw it was ordered that in the event of the issue of the bonds being authorized at the coming election, Mr. Thomson be employed to report upon the matter.

The city attorney requested that he be granted leave of absence of approximately two weeks, beginning June 18, 1919, which was on motion of Trustee Henry granted.

An application was presented from E. H. Learned of Grand View District for permission to operate a one-cow dairy, which was on motion of Trustee Henry granted.

The city engineer having prepared an ordinance establishing the grade on Sycamore Canyon Road, the same was presented by Trustee Woodberry and laid over until the next regular meeting.

A communication was read from the city treasurer and tax collector reporting having received from the County of Los Angeles a warrant for the sum of two thousand fifty-six

GUY PIXLEY WILL SOON BE HOME

Mrs. Flora Pixley has received a telegram from her son, Guy, stating that he had landed in New York. He is expected home in a few days. Guy went out with the 158th Ambulance Corps, 115th Sanitary Train, 40th Division. Just a little while before the Division was ready to start for home, Guy, Farris Brown and forty others were detached and sent down to a big hospital in Bazailles. Later they were transferred to a larger hospital in Is-sur-Tille. Later Guy and a few others were sent away to another point. Now he and his companions are back in the U. S. A., but Farris Brown is still abroad. He was in Paris at last accounts, on a business trip.

SURPRISE DINNER

A little family dinner party took place Tuesday evening at 8 o'clock at the home of Mr. and Mrs. Linkogel in this city as a surprise for their daughter Eula and in celebration of her birthday. When she returned from a school picnic she found the guests assembled and a pretty table centered with yellow and white flowers and radiant in the soft glow of yellow candles. Covers were laid for Dr. and Mrs. Roy V. Hogue and son Benjy, Mrs. E. L. Tuck, Mr. and Mrs. Linkogel and little sister Myrl.

"BIG FOUR" FINISHING THEIR WORK

TODAY FINISH REPLY TO GERMAN COUNTER PROPOSALS PROMISING ADMISSION TO LEAGUE

(Special Service to Glendale Evening News)

PARIS, June 13.—The allied commission appointed to draft the actual text of the reply to the German counter proposals, received nine reports from the "Big Four" this afternoon and immediately began framing the answer.

Premier Orlando and General Diaz of Italy left for Rome today convinced that the work of the "Big Four" is practically completed, and that there will be no further important decisions. This is interpreted to mean that the allied answer will be definitely finished before night.

It has been authoritatively learned that the reply notifies the Germans that they will be admitted to the league of nations within a short time.

From Italian sources of information it was learned that the Jugo-Slavs, having rejected the compromise on the Adriatic question, Premier Orlando has written President Wilson, Lloyd-George and Clemenceau demanding the strict enforcement of the pact of London. Italian foreign minister Sonnino is scheduled to replace Orlando before the treaty is formally signed.

BATTLE OVER KNOX RESOLUTION

VOTE IN SENATE EXPECTED TO BE VERY CLOSE—PRESIDENT WILSON "UNDISTURBED"

(Special Service to Glendale Evening News)

WASHINGTON, June 13.—It is expected that President Wilson will make a determined fight to prevent the separation of the league of nations covenant from the peace treaty as proposed in the Knox resolution now before the Senate. He still considers the league of nations the most important part of the treaty. The only official comment made in administration circles was: "The president is undisturbed over the agitation."

The battle over the resolution promises to be bitter. It is predicted that the vote will be exceedingly close. Senator Knox stated he will probably ask for action, Tuesday.

ARCHANGEL MUNITY EXAGGERATED

RETURNING AMERICAN TROOPS SAY RUSSIAN ANTI-BOLSHEVISTS DID LITTLE BUT EAT

(Special Service to Glendale Evening News)

BREST, June 13.—Officers and men of the 39th infantry composed of Michigan men who are arriving at Brest from Archangel, today declared that the reports of the mutiny on the Archangel front several weeks ago were exaggerated. The men said they were proceeding to the front when Colonel Stewart, the commanding officer, asked them what was wrong after they had been reported to him as "restless." The corporal answered that they wanted to know what the fighting was for. "To save our own lives until we are taken out," the Colonel answered. He then asked if they were unwilling to proceed to the front and they replied that they would go. The next day they had a battle with the Bolsheviki and came out victorious. The men were still bitter because they said the Americans were forced to do all the fighting while the Russian Anti-Bolshevists "did little but eat."

CHINESE BOYCOTT OF JAPANESE GOODS

(Special Service to Glendale Evening News)

WASHINGTON, June 13.—The State Department announced today that anti-Japanese feeling in China on account of the Shantung settlement and other questions has resulted in the resignation of the Chinese Minister to Japan and other officials. Pekin is quiet. In Shanghai the Chinese are boycotting Japanese goods.

ONE AFRAID—THE OTHER "DASSENT"

(Special Service to Glendale Evening News)

EL PASO, June 13.—Two battalions of the United States Infantry arrived today from Columbus. The Villistas and Carranzistas who are facing each other outside of Juarez have not as yet fired a shot. The American troops will strengthen the border guard.

STRIKE SITUATION UNCHANGED

LARGE ACCESSIONS OF SOUTHERN CALIFORNIA TELEGRAPHERS EXPECTED MONDAY

NEW YORK, June 30.—The telegraph strike situation is apparently but little changed since yesterday. The Telegraphers' Union continues to claim success while officials of the Western Union and Postal Companies deny that their service is impaired.

LOS ANGELES, June 13.—The leaders of striking telegraphers here today predicted that large numbers of Southern California Western Union operators would join the strike by Monday.

The Western Union office here said the strike had not affected it, and the Postal Office said: "Business continues to move."

General Manager Green, of the Western Union, said he had yet to find a case where railway telegraphers had refused to handle Western Union business and that such refusal would bring about a situation to be met when it arises.

SCHOOL BOARD MEETS

CONFERS WITH INVESTIGATING COMMITTEE REGARDING SCHOOL BUILDING PLANS

The Committee of Investigation appointed at the school mass meeting to look into school needs of the district and secure figures covering the amount of a bond issue required to supply those needs, has not been idle. A few nights ago it met with members of the Grammar School Board in the office of Charles Kent & Son where the elevations and plans of all the important school buildings which have been erected in Southern California during the past six years were on file to be examined. After considering them all, two were selected as being nearest to the type and character of the building needed for the Broadway campus.

Of these two, one resembled the High School in being of Greek type with a flat roof to which some members objected as being hot in summer. In the other design to which preference was given, the roof was of tile and as that was the plan of the Culver City School, the committee and members of the Board motored to Culver City Thursday afternoon to inspect it.

At the meeting of the Board Thursday evening a report was presented by some of the members of the party and an informal discussion followed on the adaptability of the plan to Broadway School needs.

Roy Kent, who was present, explained that the Culver City School was in a way a show building, constructed with a view to enhancing the value of surrounding real estate. With that aim the members of the Culver City Board, of which Mr. Culver—who gave the ground—was president, spent a great deal of time studying school buildings for the purpose of getting the best, most attractive design. The architect's commission for making the plans was in the neighborhood of $5000. Mr. Kent said he believed that some of the show features could be eliminated without impairing beauty or utility and that a considerable saving of money could be effected.

For the benefit of those who did not visit Culver City he explained that the building in question, like most of the late models, is spread out in one story with an exit from each room direct to the outside and also into the corridor, and that the plan necessarily takes up lots of room. The ground dimensions shown by the plan were 161 by 202 feet. It is of substantial, hollow-tile construction with plaster outside of waterproof stucco which has had the test of three winters. The roof is of red, concrete Spanish tile, the least expensive tile that can be used. It has on the main floor eight class rooms besides a kindergarten, and toilets which are accessible from the outside without coming through the building.

In the center of the building at the rear, like a separate building joined to it at the end of the corridor is an auditorium seating 400 people with a projection for a picture machine built according to the require-

BAPTIST MISSIONARY MEETING

The Women's Missionary Society of the Glendale Baptist Church met Thursday afternoon at the home of Mrs. S. Houdyshel, 237 North Maryland, about thirty-five being in attendance.

Mrs. William J. Sanford, who had charge of the program, described the work that is being done among the North American Indians by the Baptist churches and described their reservations. The little daughter of Mrs. Roy Kent gave a few recitations charmingly and upon the completion of the program punch was served and a social half-hour enjoyed, the hostess being assisted by Mrs. Howard and Miss Nellie Rowe.

A class was organized to study work among the Indians which will meet at the church every Wednesday evening before prayer meeting. Mrs. Sanford, assisted by Mrs. Merritt, a returned missionary, will have charge of the class.

BAPTIST SUNDAY SCHOOL PICNIC

The Sunday School of the Glendale Baptist Church will enjoy a picnic at Brookside Park Saturday. The picnickers are expected to report with their lunch baskets at the church at 9 o'clock a. m. It is the plan to furnish free transportation for all.

J. F. Harden has bought out the interest of his partner in the Harden & Merrick store and it is again the Glendale Furniture Store. Mr. Merrick is still with him, however, as a valued employe.

HONOR GRAND MASTER

GLENDALE MASONS HAVE FINE MEETING AND SPLENDID FELLOWSHIP

Masons from all over the San Fernando Valley, Lancaster, Eagle Rock and Hollywood gathered last evening at the Glendale Masonic Temple to do honor to the Most Worshipful Bradford Webster, Grand Master of Masons of the Jurisdiction of California. Grand Master Webster, whose home is in Oakland, is making a pilgrimage to Southern California, stopping at the various Masonic centers.

Unity Lodge was, indeed, fortunate to be selected as the object of one of these visits, and she had invited the Lodges of Eagle Rock and Burbank to share the occasion with her. Worshipful Master Story of Burbank and Worshipful Master Broxholme of Eagle Rock were both present and accompanied by large delegations from their respective lodges.

Upon the arrival of the Grand Master he was escorted into the lodge room with the ceremonies befitting his high Masonic rank, and at the request of Worshipful Master Roy William Masters of Unity Lodge he accepted the invitation to confer the Third Degree upon our fellow townsman, Dr. James Eugene Eckles. In this ceremony he was assisted by Grand Lecturer Baker of San Francisco, who is his traveling companion. The splendid manner in which the degree was conferred brought thrills to everyone present.

At the close of the session in the Lodge hall, the crowd adjourned to the banquet room, where light refreshments were served by the "Gillaphoo" committee. When the chairs were pushed back W. M. Masters presented Mattison Boyd Jones who acted as toastmaster and introduced Grand Master Webster. The speech of the Grand Master was brief, but like all his other performances it was a masterpiece. At 11 o'clock the session closed and the Grand Master was on his way to his Imperial Valley appointment, but it will be a long, long day before Glendale Masons will forget his presence among them. Much of the success of the occasion is due to untiring labors of the Worshipful Master of Unity Lodge, No. 368, Roy W. Masters.

BACCALAUREATE SERVICES

The ninety-six graduates of the Glendale Union High School, the Faculty, their families and friends, will be the special guests at the annual Baccalaureate Service, held at the First Methodist Church next Sunday evening.

Most of the churches of the city will dismiss their evening congregations for the great union meeting, for this is a community affair which interests everyone in Glendale and the surrounding territory of the district.

The largest class ever graduated by the school is that of this year and of course the alumni of all the previous years will renew their High School memories by participating in the commencement functions.

The Rev. Clifford Cole, pastor of the Central Christian Church, will preach the sermon, and other ministers will participate in the service.

PACIFIC AVENUE P.-T. A.

At the last meeting for the year of the Pacific Avenue Parent-Teacher Association, which was held Thursday afternoon, new officers were installed as follows: President, Mrs. P. O. Lucas; first vice-president, Mrs. Frank Ayars; second vice-president, Mrs. Pierson Hanning; third vice-president, Mrs. A. S. Chase; secretary, Mrs. L. P. Tronsier, and treasurer, Mrs. S. H. Waller.

The program was short but delightful, Mrs. Robert W. Yost singing "Will-o'-the-Wisp" and a charming negro dialect song called "Lindy."

Miss Helen White, who has charge of the teaching of agriculture in the grade schools, gave a very helpful talk on nature study and the ways in which the mothers can help in her work.

GRADUATES FROM YALE

Mrs. Ella Richardson of Central avenue and Riverdale drive is in receipt of the following telegram conveying pleasant news from her son, which her friends will be glad to share:

"New Haven, Conn.,
"June 12, 1919.

"Passed all examinations. Will graduate from Yale this week. Love to all.

"OMAR BURT RICHARDSON."

Mr. Richardson's enlistment in the aviation service of the U. S. Navy interrupted his college course which he resumed in January after receiving his honorable discharge.

Trustee Shaw presented the following resolution, which was on his motion adopted: "Whereas, the City of Tropico did on the 14th day of July, 1917, become the purchaser of Lot A, Tract 927, in said city, as per map recorded in Book 16, Page 153 of Maps, Records of Los Angeles County, California, at a sale of said property made by the City Treasurer of said city for non-payment of Street Bond No. 10, Series 1, dated July 9, 1913, issued for the improvement of Park avenue in said city, and

Whereas, More than one year has elapsed from the date of said sale, and no redemption has been made of said property; and by consolidation the City of Glendale has become the successor in interest of the City of Tropico; now therefore, be it

Resolved, That the president of this Board is hereby authorized in behalf of the City of Glendale to make application to the city treasurer of the City of Glendale for a deed of said property, and to sign in behalf of the City of Glendale all necessary legal notices of said application, and to cause said notices to be served by posting and otherwise in such manner and on such persons as may be required by law."

On motion of Trustee Shaw, the ordinance presented at the last regular meeting of the Board establishing the grade on a portion of Verdugo Road and Lexington Drive (formerly First street), was adopted as Ordinance No. 351. "An ordinance of the Board of Trustees of the City of Glendale changing and establishing the grade on a portion of Verdugo Road and Lexington Drive (formerly First street)."

Report of the tax collector for the week ending on this date was presented, showing amounts collected being $180.52, making a total to date of $83,804.03.

The many friends of Miss Mary Blackburn will be glad to learn that after completing a successful year of teaching in the public schools of Eustis, Nebraska, where she had fifth grade work and superintended drawing in the schools, she is now in Lincoln, Nebraska, at the Wesleyan University attending summer school and assisting in the summer classes in drawing. Miss Blackburn was assistant drawing teacher in the Glendale Grammar School for five years.

CHRISTIAN ENDEAVOR RALLY

Miss Ethel Preston, president of the Glendale District Union of Christian Endeavor Societies and other officials of the Union are planning an enthusiastic rally to be held this (Friday) evening at the Lutheran Church. Ralph Isbell will be one of the speakers. The whole theme of the rally will be "Loyalty"—loyalty to Christ and the church, loyalty to the Christian Endeavor and its conventions. The aim of the rally is to boost for the big State Convention to be held at Long Beach June 28th to July 2d, and to persuade as many as possible to go.

SCHOOL BOARD MEETS

(Continued from Page 1)

ments of the National Board of Fire Underwriters. The auditorium has exits besides the one into the corridor.

In the basement is a very fine heating system which cost about $10,000, operated by a large fan. The corridors are of reinforced concrete. On the second floor are rooms for manual training, sewing and domestic science departments.

Mr. Kent suggested that if the Committee and the Board thought that with some changes this plan could be adapted to use in Glendale, the revised plans and specifications could probably be secured from the architects for a few hundreds of dollars against a $4000 to $5000 fee which would have to be paid for entirely new plans and specifications, and the Board could thus effect quite a saving.

Also, should the Board decided to use the unit system of heating, the cost of the basement and its expensive heating plant could be eliminated.

In answer to questions he stated that the cost of the building under discussion three years ago was $50,000. To duplicate it exactly now would cost in the neighborhood of $75,000.

Mr. White then called attention to the fact that the Broadway School should have ten class rooms whereas this has but eight; but, he stated, the kindergarten and domestic science departments it provides for would not be required which would give the extra two rooms, though they would need to be enlarged. Rough estimates which he had secured indicated, he said, a building cost now, per room, of $5000, which would bring the total cost (counting the auditorium and two rooms), 10 class rooms, sloyd and sewing room to $70,000, without heating plant or furnishings.

Mr. Kent was asked if he would undertake to reproduce in all essentials the Culver City building for $75,000 including the heating plant and he said, yes; but suggested that the Board could save money by alternative contracts under which non-essentials could be eliminated and thus save money for furnishings.

Other needs of the district were then discussed. These included kindergartens at Columbus Avenue and Central Avenue Schools, an addition to provide four more class rooms for the Intermediate School, the triangular piece of ground owned by the P. E. Railway required to complete the campus of the Cerritos Avenue School; the additional ground which the Board has been instructed to purchase for the Broadway campus. When all estimates and resources had been roughly figured it was thought that a bond issue of $90,000 might be made to cover these items and the Broadway building but the matter was referred to the Investigating Committee for further research and, by vote, Ezra Parker was made a committee of one to assemble the data secured and present it at a mass meeting of taxpayers to be called for Monday evening, June 23d, at the Intermediate School auditorium at 8 o'clock.

Mr. White contributed the information that Pasadena is making a bond issue of $275,000 for Grammar Schools; that Glendale's bonding capacity is about $450,000 and its bonded indebtedness something like $175,000; that there has been no bond issue for schools in the past five years.

While the meeting was in progress Miss Wooldridge, head of the Domestic Science Department, interrupted it to ask the privilege of providing a treat. The president, Mrs. Arthur Brown, looked mystified but assented and presently two pretty students of that department appeared with trays bearing plates on which were dainty frosted cakes and dishes of delicious sherbet which were passed to the guests, the president and superintendent receiving especially large helpings. This course was followed by cafe demi tasse, all of which was prepared by pupils under Miss Wooldridge's instruction, and all of which was greatly enjoyed by those entertained. Trustee Hibben voiced his pride in the domestic science work of the schools and—weakening on his economy policy—wondered if, after all, it might not be a mistake to cut out a provision for domestic science at the Broadway School, his fellow members being much amused at his change of heart.

The final item of business was the issuance of an order from the Board for the publication in the Glendale Evening News of June 13th and June 21st of the official notice of the mass meeting called for Monday evening, June 23d.

ORDINANCE NO. 351

AN ORDINANCE OF THE CITY OF GLENDALE CALLING SPECIAL ELECTION TO BE HELD IN SAID CITY ON THE 17TH DAY OF JUNE, 1919, AND SUBMITTING TO THE QUALIFIED VOTERS OF SAID CITY THE PROPOSITION OF INCURRING INDEBTEDNESS FOR THE ACQUISITION, CONSTRUCTION AND COMPLETION OF CERTAIN MUNICIPAL IMPROVEMENTS IN CONNECTION WITH THE COMBINED DEVELOPMENT, OPERATION AND IMPROVEMENT OF THE WATER WORKS AND SYSTEM AND ELECTRIC LIGHT WORKS AND SYSTEM OF SAID CITY, TO-WIT, LANDS, WELLS, PUMPING PLANTS, PIPES, PIPE LINES, METERS, RESERVOIRS, RESERVOIR SITES, WATER RIGHTS, POLES, PIPE LINE RIGHTS AND A HYDRO-ELECTRIC GENERATING PLANT FOR THE PURPOSE OF GENERATING ELECTRICITY, PROVIDING FOR THE ISSUANCE OF BONDS THEREFOR, SUBDIVIDING THE CITY INTO ELECTION PRECINCTS, DESIGNATING THE POLLING PLACES AND APPOINTING ELECTION OFFICERS FOR SAID ELECTION.

WHEREAS, THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE, at its regular meeting held on the 22nd day of May, 1919, by vote of more than two-thirds of all its members duly passed and adopted a resolution determining:

That the public interest and necessity demand the acquisition and construction by the City of Glendale of certain municipal improvements in connection with the combined development, operation and improvement of the water works and system and the electric light works and system of said City, to-wit, lands. wells, pumping plants, pipes, pipe lines, meters, reservoirs, reservoir sites, water rights, poles, pipe line rights, and a hydro-electric generating plant for the purpose of generating electricity.

That the estimated cost of said municipal improvement and utility is ONE HUNDRED NINETY-SIX THOUSAND AN- NO 100ths ($196,000.00) DOLLARS and is and will be too great to be paid out of the ordinary income and revenue of the municipality. Said improvement would require an expenditure greater than the amount allowed for the same by the annual tax levy; and whereas said resolution was duly signed and approved by the President of the Board of Trustees of said City on the 22nd day of May, 1919, and was attested and certified to by the City Clerk and was duly published on the 23rd day of May, 1919, in the Glendale Evening News, a daily newspaper printed, published and circulated in the City of Glendale;

NOW, THEREFORE, the Board of Trustees of the City of Glendale do ordain as follows:

Section 1. That a special election be held and the same is hereby called to be held in the City of Glendale on Tuesday the 17th day of June, 1919, for the purpose of submitting to the qualified voters of said City the proposition of incurring indebtedness and issuing bonds of said City in the amount hereinafter set forth, and for the purposes set forth in said resolution and hereinafter stated.

Section 2. That the objects and purposes for which said indebtedness is proposed to be incurred and bonds issued therefor are as follows, to-wit:

The acquisition, construction and completion of certain municipal improvements in connection with the combined development, operation and improvement of the water works and system and the electric light works and system of said City, to-wit: lands, wells, pumping plants, pipes, pipe lines, meters, reservoirs, reservoir sites, water rights, poles, pipe line rights, and a hydro-electric generating plant for the purpose of generating electricity and providing for the issuance of bonds therefor.

Section 3. That the estimated cost of said proposed municipal improvement described in Section 2 hereof, is ONE HUNDRED NINETY-SIX THOUSAND AND NO 100ths ($196,000.00) DOLLARS; that the amount of the principal of the indebtedness to be incurred therefor is the sum of ONE HUNDRED NINETY-SIX THOUSAND AND NO 100ths ($196,000.00) DOLLARS, and that the rate of interest to be paid on said indebtedness shall be five (5%) per cent. per annum, payable semi-annually; that if the proposition for incurring said indebtedness for said purposes so submitted at said election receive the requisite number of votes, to-wit: two-thirds of the votes of the qualified voters voting at such election, bonds of said City in the amount of ONE HUNDRED NINETY-SIX THOUSAND AND NO 100ths ($196,000.00) DOLLARS shall be issued and sold for the purpose of acquiring and constructing said municipal improvement and utility; both principal and interest of said bonds shall be payable in gold coin of the United States of the present standard weight and fineness.

Section 4. The polls for said election shall be opened at six o'clock in the morning of the day of election, and shall be kept open until seven o'clock of the afternoon of the same day, when the polls shall be closed, except and provided, however, that if at the said hour of closing there are any voters in the polling place or in the line at the door thereof, who are qualified to vote and have not been able to do so since appearing, the polls shall be kept open a sufficient time to enable them to vote, but no one who shall arrive at the polling place after seven o'clock in the afternoon shall be entitled to vote, although the polls may be open when he arrives.

The ballots to be used at said election shall be printed substantially in the following form:

Instruction to Voters

To vote in favor of the proposition, stamp a cross (X) in the voting square to the right of and opposite the word "Yes;" to vote against the proposition, stamp a cross (X) in the voting square to the right of and opposite the word "No."

ALL MARKS EXCEPT THE CROSS (X) ARE FORBIDDEN.

ALL DISTINGUISHING MARKS OR ERASURES ARE FORBIDDEN, AND MAKE THE BALLOT VOID.

If you WRONGLY STAMP, TEAR or DEFACE THIS BALLOT, return it to the inspector of the election and obtain another.

Shall the City of Glendale incur a bonded debt of ONE HUNDRED NINETY-SIX THOUSAND AND NO 100ths ($196,000.00) DOLLARS for the purpose of acquiring, constructing and completing certain municipal improvements in connection with the combined development, operation and improvement of the water works and system and the electric light works and system of said City, to-wit, lands, wells, pumping plants, pipes, pipe lines, meters, reservoirs, reservoir sites, water rights, poles, pipe line rights, and a hydro-electric generating plant for the purpose of generating electricity.	YES NO

Section 5. That for the holding of said election said City is hereby districted and subdivided into ten (10) election precincts, and precincts one (1) to eight (8), inclusive, shall be a consolidation of the precincts fixed and established by the Board of Supervisors of the County of Los Angeles, as shown by minutes of said Board of Supervisors under dates of December 31, 1917, January 23, 1918, and February 27, 1918, to which minutes reference is hereby made as part hereof, for the precincts comprising the territory included within the corporate limits of the City of Glendale at the time of the fixing of said precincts by said Board of Supervisors as aforesaid. Did You
Plan to Economize?

Had you intended to make the old refrigerator last one more season or buy a cheap, poorly built one?

This is poor economy.

A refrigerator to fulfill its purpose must be easily cleaned and absolutely sanitary. A worn out refrigerator or a loosely built one is likely to be a breeding place for germs as well as a waster of ice.

THE ALASKA REFRIGERATOR GIVES THE MAXIMUM REFRIGERATION WITH THE MINIMUM AMOUNT OF ICE.

We can show you other good points of this refrigerator if you will step into the store.
